Riders Program Welcome Letter

Welcome to you Learn to Ride 2018 Season! All the Learn to Ride leaders are excited to be a part of your child's mountain bike experience. In order to ensure we have a safe and successful season, we would like to provide you with some information that we would like you to discuss with your child. Please review the following program details and handouts so that your son or daughter is ready to ride.

IMPORTANT INFORMATION - PLEASE READ

1. Rider's Medical - Please ensure you have completed and submitted the registration, waiver and medical forms prior to the first session or your child will not be able to ride. This will ensure we have all the required information to deal with any medical concerns, if they should arise.

2. Rider's Bike Check - The bike check is meant to be a preventative inspection by your local bike shop, with charges for necessary repairs. Please take your child's bicycle into one of the local bike shops as soon as possible. Spring is a busy season for the shops and there may be a delay. Please have a bike mechanic complete the Rider's Bike check form and bring the form to the first Learn to Ride session. Learn to Ride participants are PGCC members upon registration, therefore are eligible for a 10% discount on partisan accessories affiliated shop; Ruckus, Koops and Cycle Logic.

The Learn to Ride Leaders are not responsible for the state of each rider's bicycle. It is the full responsibility of each rider to ensure that their bicycle is properly maintained and safe. Our Leaders will perform a brief safety check prior to the first session at which time your child will hand check in their completed Maintenance Check List. The riders will learn how to perform their own safety check in following sessions, which we encourage the parents to be involved in.

3. Session Start Date - Please note that 2018 season is scheduled to begin May 1 from 6:30 pm - 8:30 pm, pending trails readiness, and will continue every Tuesday for 6 weeks. Please be prepared for a delay in the start date due to weather. A delay will be determined prior to May 1 at which time you'll be notified via email.

4. Clothing/Gear - Please ensure your child is dressed appropriately for the weather (ie: rain, cold, hot), as well as closed toed shoes. All riders must have a properly fitting helmet and a hydration source is **STRONGLY** recommended.

5. Rider Check In/Name Tags - At the start of each session, each rider will check in at a designated area where they will receive a name tag. This name tag is to be returned after each session, to allow us to ensure us all riders have retired from the daily ride.

6. Handouts - Please Keep the folder that you received at the start of the season as your child may receive handout throughout the program, at the end of each session. Please review these handouts with your child as they're important for both you and your child.

Sincerely,

Jacob Mullen, Learn to Ride Program Coordinator

4. This Release Agreement and any rights, duties and obligations as between the parties to this Release Agreement shall be governed by and interpreted solely in accordance with the laws of the province where the mountain biking takes place and no other jurisdiction; and
5. Any litigation involving the parties to this Release Agreement shall be brought solely within the province where the mountain biking takes place and shall be within the exclusive jurisdiction of the Courts of that province.

In entering into this Release Agreement I am not relying on any oral or written representations or statements made by the Releasees with respect to the safety of participating in mountain biking, other than what is set forth in this Release Agreement.
